Meaning of Chope >> Reserve / To Reserve

A Singlish word commonly used in a setting such as an eatery, chope is also the action of placing tissue packets on tables in hawker centres as an informal reservation.

Chope 在星式英語裡代表著佔位，用Chope Chope Eatery 作為餐廳的名稱，從原有的佔位留位的意思，衍生出歡迎大家來用餐，感受如置身於南洋食堂裡的飲食活力。

SOMETHING THROUGHOUT THE DAY
