## 荷蘭舞蹈劇場

歡迎來到臺中國家歌劇院觀賞荷蘭舞蹈劇場 NDT 2 的演出,我們很高興能為您呈現三位享譽國際的編舞家——克莉絲朵・派特(Crystal Pite)、愛德華・克魯格(Edward Clug)及納達夫・澤爾納(Nadav Zelner)極具巧思與表現力的舞蹈作品。

《救援的10首二重奏》原先是2008年為了雪松湖當代芭蕾舞團所作,也是NDT客席編舞家克莉絲朵·派特與NDT2的首次合作。在這部動人且親密、由10段雙人舞組成的作品中,派特描繪了一些不為人知的故事片段,展現不同的人際關係與各種關係中往往複雜的關聯性。

《集群效應》是愛德華·克魯格2022年為 NDT 2 所創作的。這部引人入勝的作品展示了 有趣且富有活力的舞蹈語言,動作間細微的差異也創造出一種優美的詩意。

納達夫·澤爾納的《睡前故事》邀請我們進入一個在想像邊界的魔幻世界。透過新穎、 迷人、快如閃電的語彙,《睡前故事》精彩的表現出我們心中尋找自我的做夢者。

希望您喜歡我們的演出,謝謝您的蒞臨觀賞!

荷蘭舞蹈劇場藝術總監 艾蜜莉・莫納

### Nederlands Dans Theater

Welcome to this performance with NDT 2 in the National Taichung Theater! We are thrilled to bring you a program that features a vibrant range of ideas and expressions in dance by internationally acclaimed choreographers Crystal Pite, Edward Clug and Nadav Zelner.

*Ten Duets on a Theme of Rescue* was originally created for Cedar Lake Contemporary Ballet in 2008 and marks NDT associate choreographer Crystal Pite's debut collaboration with NDT 2. In this moving and intimate score for ten duets, Pite portrays fragments of an untold narrative about human relationships and their often complex connections.

*Cluster* by Edward Clug was created for NDT 2 in 2022. The intriguing work displays a playful and dynamic choreographic language whose contrast in detail produces a refined sense of poetry.

For his work *Bedtime story*, Nadav Zelner invites us into a world of fantasy that plays on the edges of the imagination. Through its fresh, mesmerizing, and lightning-fast vocabulary, *Bedtime story* is a riveting embodiment of the dreamer searching within us all.

We hope you enjoy the show! Thank you for being here.

Emily Molnar Artistic Director, Nederlands Dans Theater

## 《救援的10首二重奏》

## Ten Duets on a Theme of Rescue by Crystal Pite

世界首演:2008年6月30日,雪松湖當代芭蕾舞團 荷蘭舞蹈劇場首演:2022年3月16日,海牙阿瑪雷劇院

演出長度:約14分鐘

World premiere: June 30, 2008, Cedar Lake Contemporary Ballet

NDT premiere: March 16, 2022, Amare The Hague

Duration: 14 minutes

我喜歡『救援』這個詞,是個具足完整故事性的詞彙,如同身體可透過最簡單的動作敘事。對我來說,為雪松湖當代芭蕾舞團創作這個作品是一場挖掘行動。開始編創後,我在當中尋找可以明確喚起救援感的意象。我找到許多,像蘊存在舞作中沒有說出的故事碎片。我想,這個作品裡的「救援」有雙重的意義,在讓意象回歸舞蹈之前,我先試著解放並呈現這些意象,讓人可短暫深思——10首二重奏中的每一首都留下並保存一個拯救的畫面。——克莉絲朵·派特

I love the word "rescue." It captures a whole story in a single word. Similarly, the body can convey narrative through the simplest of actions. For me, this work for Cedar Lake was an act of excavation. After creating the choreography, I searched within it for images that specifically evoked rescue. There are many of them. They exist inside the dancing like fragments of an untold narrative. I suppose the presence of rescue in this work is twofold, as I tried to liberate and expose these images for brief contemplation before releasing them back into the dance: saving and holding one picture of rescue in each of the ten duets. — Crystal Pite

再度為NDT 2 創作,可說是必要的。自從上次與他們合作以來,這個團隊已經完全不同,這就是創作過程的出發點。沒有概念、想法、音樂或其他元素,我就是想從零開始與他們合作。當我們接近彼此時,一種本能的對話開始,過程自然而然地展開。幾分鐘後,我們收到米爾科的第一段音樂,旅程就此開啟。每天排練的儀式默默將我們集合起來按照相同的模式行動,凝聚成群就自然而然地成為這個作品的主軸。——愛德華·克魯格

Coming back to create for NDT 2 felt almost necessary. The company is completely new since the last time I worked with them and this aspect was the starting point in the process. No concept, no ideas, no music or other elements, I just wanted to work with them in the new empty space. As we approached each other, a dialogue of instincts began and the process unleashed spontaneously. After a few minutes we received Milko's first fragment of music and the journey ignited. The daily ritual of rehearsing gently united us behaving in the same pattern, somehow forming a human cluster that naturally became the pillar of this piece. – Edward Clug

## 《睡前故事》

## Bedtime story by Nadav Zelner

世界首演: 2021年11月4日,海牙阿瑪雷劇院

演出長度:22分鐘

World premiere: November 4, 2021, Amare The Hague

Duration: 22 minutes

在睡眠和清醒之間的短暫、隱密時刻,是我現實中的夢想時刻。小時候我常夢到蛇,雖然我不了解為何蛇會入我夢,而且我怕蛇,但在夢中牠們並沒有威脅我,我也未曾感到害怕。現在我明白,蛇代表我所面對的世界和自己。我正在面對我的恐懼,並堅持自己的信念。我決定不再逃避這段回憶,而是探索並選擇使用蛇成為舞者睡衣上的元素。音樂是我創作的開端,而我的突尼斯血統,讓北非音樂的選擇自然不過。對我而言很重要的是,這支舞為我的夢創造一個舞台,並讓幼時作夢的我得以具體表達。隨著年紀漸長,我們經常放棄作夢。我們該去重新認識自己內在的孩子,那個不怕跌倒、體驗人生、充滿探索求知欲的孩子。——納達夫·澤爾納

The small, secret moment between sleep and consciousness is the moment in which I make my dreams come true. As a kid I used to dream about snakes, though I did not understand why these snakes visited me in my dreams. Even though I am afraid of snakes, every time we met in a dream they did not threaten me, I was never afraid. Today I understand that these snakes are me facing the world and facing myself. I am confronting my fears and following my beliefs. Instead of running away from memory, I decided to explore it and chose to use it as an element on the dancers' pajamas. Music lies at the beginning of every work I create. Given the fact that I have Tunisian roots, the choice of Northern-African music was natural. In this work it was important for me to give my dreams a stage, and to give the dreaming child that I once was a tangible expression. As we get older, we tend to abandon our dreams. We should get reacquainted with the child in us. The one who is not afraid to fall, the one who experiences life and is intrigued to discover. – Naday Zelner

### Choreographer / Nadav Zelner

A sought-after choreographer by dance companies around the world, Zelner was invited by Marco Goecke to create the opening performance for an entire evening at the Staatsoper Hannover, Germany. He also choreographed a solo piece titled *Ikra* for Ekaterina Shipulina, the principal dancer of the Bolshoi Ballet.
